

COMMUNIQUE RADIO - PRESSE

N° 40/20 / MINESEC/ OF----- 08 MAI 2020

The Minister of Secondary Education informs the public that the communiqué circulating on social media on the **"Direct Recruitment of 910 Anglophone Contract Teachers of Secondary and High Schools against the 2020/2021 academic year in response to the Anglophone Educational Problem"** is **FAKE**. The public is called upon not to abide by it and should not send any money to the presumed "MINESEC HRM MTN MOMO" because the Ministry of Secondary Education does not operate such an account. It is the Ministry of Public Service and Administrative Reform that does recruitment.

The Minister informs the public to be vigilant as ill-minded persons would want to extort money from the public.

The Minister counts on the understanding of all.
