Article 1 : Measures to be taken at each examination centre

- (1) Make provision for classrooms with 35 seats, with one (1) candidate on each bench of two seats or two (2) candidates on each bench of three seats;
- (2) If the examination centre does not have enough classrooms, consider borrowing a site not far from the centre and the RDSE shall appoint an assistant to act as head of the annexe sub-centre. If the centre has a specious room ("amphitheatre" or multipurpose hall in the school campus), split it into two or three classrooms with 35 seats each depending on the situation; (making sure the splitting is clearly distinct from one batch of 35 seat to allow movement);
- (3) Assign two invigilators per classroom and one invigilator supervisor per block of four classrooms/multipurpose hall of the school;
- (4) Make sure there is availability of an inbuild wall bunker, if possible;
- (5) Hire a nurse for the duration of the examination and provide him/her with a first aid kit;
- (6) Upgrade the water supply and install two separate toilets, one for the girls and one for the boys;
- (7) Upgrade the electrical installation in the examination centre (All examination rooms shall be brighter or lit up);
- (8) Request assistance from the competent authorities in charge of security (gendarmerie or police) and a night vigil to ensure the security of the centre;
- (9) Ensure that there is a bell or whistle that rings to signal the start and end of the examination papers;
- (10) Be equip with: an umbrella, coat, torch,, etc.

Article 2:

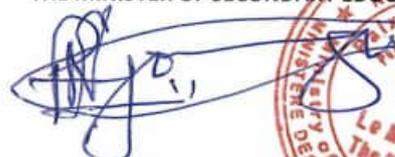

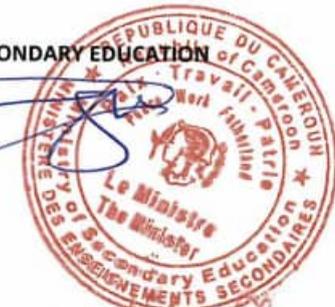

- (1) The Regional Delegate of Secondary Education upon the recommendation of the Divisional Delegate, shall inform each government or private school of the sub-centre for written and practical examinations sub-centres to which it is attached and shall inform the DECC;
- (2) The Regional Delegate of Secondary Education shall appoint an assistant to act as head of the annexe sub-centre and a second superintendent for the annexe sub-centre;
- (3) The school to which a school is attached shall take into account its nature, its enrolment, its specialities and the distance to be covered by candidates;
- (4) School may only register candidates in the authorised specialities for which they offer teaching.

Article 3 :

The Director of Examinations and Certification, the National Secretaries of Private Education, the Regional and Divisional Delegates, Secretaries of Education and Directors of Teacher Training Colleges shall be responsible, each in their respective area of competence, for implementing this decision, which shall be communicated wherever necessary.
