To

The Regional Delegates

**Subject: Celebration of the 2021 Commonwealth Day in Cameroon. Essay competition.**

Sir /Madam,

Within the framework of activities towards the celebration of the Commonwealth Day in Cameroon (silver jubilee) under the theme “**Delivering a common future: Connecting, Innovating, Transforming**”, I wish to let you know that an essay competition has been launched.

This competition involves students in both the Anglophone and francophone sub-systems of education. The topic is “**What do you know about Cameroon-Commonwealth Cooperation?**” Each school is expected to select its competitors and each competitor chooses one of the aspects he/she is comfortable with. The competitor can decide to write an essay, a poem or draw.

The Inspector Coordinator in charge of Teaching and Promotion of Bilingualism organises the competition which is written on the above-mentioned topic and graded on the same day. The best three essays, poems or drawings from each region are then forwarded to the Department of Commonwealth in the Ministry of External Relations (MINREX) where the final grading will be done. The latest date to receive the scripts at MINREX is **2 March, 2021**. The best students will be invited to Yaounde during the closing ceremony to receive their prizes.

Best regards.

Nalova Lyonga Ph.D
