

School year Without **Covid-19**

Let's respect barrier
measures, get vaccinated
to protect ourselves and
others

Covid-19

How can you protect yourself and others?

Wash your hands
with soap and
water regularly

Keep a distance of
one metre (two large
steps) between you
and others

Use a tissue to
blow your nose
and throw it in the
trash

Wear a face mask in
public places

LET'S GET **VACCINATED**
