MINISTRY OF SECONDARY EDUCATION

CABINET

PRESS RELEASE No. 10/25 /C/MINESEC/CAB OF

04 MARS 2025

The Minister of Secondary Education informs the general public and the education community in particular, that the platform for obtaining the unique identification number has been closed, thus ending the allocation of registration numbers for the 2024-2025 school year.

As payment of school fees is done exclusively by digital means to approved partners, it is therefore forbidden for those in charge of public schools to collect the said fees in cash.

The Minister of Secondary Education urges public secondary school students and their parents not to allow themselves to be ripped off.

Any public school head who collects school fees will be severely sanctioned.

Nalova Lyonga Ph.D
THE MINISTER OF SECONDARY EDUCATION
